## Star Awards

Martin, Amber, Ronnie, Faye, Lara and all Y5&6 for being brilliant and kind for Miss Harrison.

**Well Done!**

## Diary Dates

24<sup>th</sup> June Link Starts  
6<sup>th</sup> 7<sup>th</sup> & 8<sup>th</sup> July Bikeability Y5&6  
15<sup>th</sup> July Leavers Service  
16<sup>th</sup> July End Of term  
2<sup>nd</sup> September School Reopens

## Goodbye

Today we are saying a sad goodbye to Miss Harrison and Miss Birtwistle our Edge Hill Students. We have all enjoyed having you here with us and wish you both well for the future.

## Staffing from September

We are pleased to announce we have employed a new Teaching Assistant Mr Elliott who will be joining the junior staff. From September Miss Lunt will be teaching in the Infants, Mrs Roberts in Y3&4 and Mrs Murphy will continue in Y5&6. They will be supported by Mrs Eloy and Mrs Halksworth in the Infants and Miss Cartwright and Mr Elliott in the Juniors.

## John Muir Award

On Monday Y5&6 have got the second part of their John Muir Award in the afternoon. Pupils can come in to school ready for the activity with joggers and school sweatshirts but they must also be ready for swimming as normal. They may also want to bring a coat and different shoes to change in to if the weather is wet.

## Link Group

Link Group for our new Reception starts on Thursday 24<sup>th</sup> June 1.30pm-3.00pm. This will run for three weeks finishing on Thursday 8<sup>th</sup> July. Please come to the main entrance.

## Parking

Can we ask you all to please park carefully and considerately in the local area.

## Physics with Dr Matt

Last week Miss Harrison arranged a zoom lesson for Y5&6 with Dr Matt a Particle Physicist at Liverpool University. The whole lesson was very engaging and the children really enjoyed it. We wanted to thank Miss Harrison for arranging such an inspiring lesson and share with you the feedback we received from Dr Matt as he was so impressed by our pupils.

"I just wanted to pass on my thanks for arranging the scientist Q&A with your students. I was so impressed with the class, they seemed engaged and genuinely interested in learning more about science and what it's like to be a scientist. Having spoken to many audiences of all ages and experiences I can say your class were definitely among the most engaged audience I've spoken to. Also, I was really impressed with the questions, there was such a broad variety and genuinely some really probing questions."

### Our Mission Statement

**'Let Your Light Shine To All'**

**(John Wesley)**

Through exciting opportunities in lessons and the wider curriculum our children become well rounded, caring change makers in our world. Each child is at the heart of all we do, to ensure they become the best they can be and are meant to be.

### Sports Day

Everybody had a great day despite us not being able to welcome all our families. There will be some more photographs SeeSaw and social media.

### Leavers Service

Following the announcement from the Government sadly it is not going to be possible to have the Celebration Assembly we normally would. Our plan is weather permitting to have our celebration assembly outdoors, just for Y6 pupils and a maximum of two members of their family on Thursday 15<sup>th</sup> July at 9.15am. If it is raining we will hold it inside but unfortunately we would then have to limit it to one family member to ensure we can socially distance and comply with health and safety regulations (further information will follow nearer the time). We have other activities planned for the final week for all pupils to join in with and we thank you all for your patience and understanding during the past year.

### PE Days

**Infants** - Wednesday, Thursday.

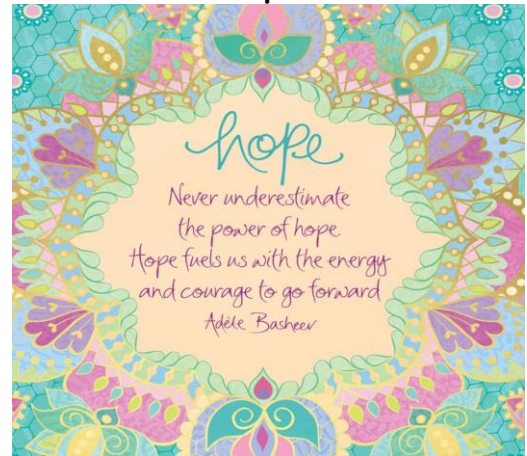

**Y3&4** - Wednesday, Thursday, Friday.

**Y5&6** - Wednesday, Thursday, Friday.

### Christian Value

This half term our Christian Value is

**Hope:-**

### Online Safety for Parents

To keep you and your child safe online, there is a new Online Safety App available from the App Store and for Android. It is free to download. It is designed for adults and older children to keep up to date with advice around social media and gaming. For more information please follow the link.

<https://info.nationalonlinesafety.com/mobile-app>

Please check your parental control settings on any devices being used by your children. Below is a useful link with advice and tips for parents for on-line safety.

### Sun Cream and Hats

Can you please ensure your child has sun cream on and brings a hat in to school. This half term we do a lot of activities outside.

### In Our Garden

For the last few weeks the pupils have been spending more time in the garden and have lots of produce growing including Tomatoes, Potatoes, Leeks, Cucumbers, Sunflowers and Herbs. Yesterday they harvested some of the herbs and had pots ready at the end of the day for people to help themselves.
