SHINE CLUB

This week, we kicked off our Shine After School Arts Programme with Mrs Coggins. The club focuses on confidence and self-esteem through creativity in a fun, nurturing environment. The children will also showcase their work at Edge Hill University, we can't wait to see it all!

We still have a few spaces left for the remaining three weeks, costing £30.00. If you'd like to join, please contact the school office. It's a wonderful opportunity for children to grow socially and creatively!

E-Safety Point of the Week

Please find attached March's Online Safety Newsletter, which highlights key topics around AI and TikTok. It offers important information and tips on how to keep children safe while navigating these platforms, ensuring they stay informed and secure online.

Be sure to check it out for valuable advice!

GAINING READING SUPER POWERS

This week, Year 3 and 4 have been working hard on their descriptive writing skills. The children focused on Lizard's street, a key setting from their class novel Krindlekrax.

The children have been using their senses to help them describe and using metaphors and similes, for example 'You will regret going down this street, there are drains as big as dragons, enormous cavernous cracks cover the pavement- Nancy .

'It goes ka-clunk and you can hear a roar that is terrifying. Let's be honest you don't want to go down there!'-Tommy

COLLECTIVE WORSHIP

This week in Collective Worship, we explored British values, focusing on individual liberty and respect. We discussed how these values help us make meaningful connections with others, whether through art, music or simply spending time together. These connections are essential in helping us feel a sense of belonging and unity with those around us.

HEADTEACHER MESSAGE
