BURSCOUGH BRIDGE METHODIST PRIMARY SCHOOL

GAINING NEW KNOWLEDGE

Reception have been enjoying Not Now, Bernard. Inspired by the book, the children used watercolours to paint their own monsters. They thought of exciting words to describe their creations. Today they drew colourful monsters using chalk on the playground.

In PSHE, **Years 1 and 2** have been learning some important basic first aid skills. The children explored how to spot danger, comfort someone who is hurt, and apply a simple bandage. They even practised their new skills on teddy bears.

GAINING NEW KNOWLEDGE

Years 3 and 4 have been exploring the work of David Hockney, focusing on his water themed paintings. We studied how light interacts with water and the patterns it creates, we then used laptops to produce our own digital water art inspired by his style.

In PSHE **Class 3** have been exploring positive thinking, kindness and the importance of sharing and embracing emotions.

We're excited to announce that Daisy has won this year's Christmas card design competition with the Fund for Human Need! Her beautiful design will be going to the printers soon and will be available to order from August on their website.

A big well done to all the children who entered and special congratulations to Azad, who was runner-up!

CHRISTIAN VALUE

This half term our Christian Value is **Hope**

have hope; I will praise You
more and more."

— PSALM 71:14

Collective Worship

This week, the children have been exploring the meaning of Hope. We discussed how we can be someone who holds hope for others, reminding them that hope is never lost. The children thought about people they hold hope for and how we can believe in others, even when they find it hard to believe in themselves.

CHRISTIAN VALUE, FOOTBALL AND STAR AWARDS

GAINING READING SUPER POWERS

This week, Class 3 continued reading Street Child and explored the character Grimy Nick. The children created fantastic Wanted Posters, describing what he looks like, what he's done wrong, where he was last seen, what he might say, his known companions and tools and even set a reward for his capture!

E-Safety Point of the Week

Encourage your child to use the internet in family areas like the living room. Keeping screens in shared spaces helps you stay involved in what your child is doing online and makes it easier to spot anything inappropriate or upsetting.
