## GAINING NEW KNOWLEDGE

This week in Drawing Club **Reception** have been reading The Christmas Pine. We have decorated our own Christmas trees and also tried a festive science experiment using baking soda to draw the outline of a Christmas Tree that fizzed and popped when we added coloured vinegar!

In History this week **Year 1 and 2** became architects to rebuild London after the Great Fire! Using what we've learned, the children designed safer cities with metal pipes instead of wooden ones and more space between buildings

## GAINING NEW KNOWLEDGE

This week in Science, **Class 2** have explored food chains, learning about the roles of producers, consumers, prey and apex predators. We also discovered different habitats, from the Arctic to the rainforest!

This week **Class 3** have had a visit from the police for a workshop on anti-social and pro-social behaviour. The children learned how their choices can make a positive difference in the community.

## COLLECTIVE WORSHIP

This week in Collective Worship we lit the second candle on our Advent wreath for the second Sunday of Advent (7th December). Like the first candle, it is purple and is often called the Bethlehem Candle. It reminds us of Mary and Joseph's journey from Nazareth to Bethlehem.

This half term our Christian Value is **Love**

does not know God, for  
God is love.
